Dear Mr. Cohen:

This letter is in response to your letter of January 26, 1994, to our treasurer, Hugh Butler, regarding our mid-year FEC report for 1993. Let me respond to each of your inquiries separately:

- Although many of the contributors listed on our itemized report of receipts for line 11a did not have employer and occupation information, we believe that we exercised "best efforts" to obtain and report this information. We ask for this information in each of our solicitations and report the information when it is given to us by the contributor. I am enclosing a sample of one of our contribution cards so that you can see the manner in which we request this information.
- You requested a clarification regarding two entries itemized on Schedule A for line 12. The entry for the Libertarian Party of Iowa (\$255.00 paid on 6/25/93) was for the purchase of a fair booth. We should have listed this as an offset to operating expenditures. The entry for Rothhaus for Legislature (\$361.65 paid on 1/12/93) is for a refund of a contribution made to this candidate. Mr. Rothhaus' campaign was paid \$400.00 on 10/21/92, as previously reported on our election summary for 1992, and this payment represented a refund of the unused funds.
- Your question regarding discrepancies in the summary page is answered in the previous paragraph.
- The payments to Alexis Thompson & Associates itemized on pages 2 and 3 for line 21b indicated that the purpose of the disbursement was "fundraising." More specifically, this company does telemarketing for us and the payments indicated represent commissions paid for telemarketing services.

If you have any further questions, please don't hesitate to contact me.

Yours,
